I got plenty of cash T...

The Post reports that Carmelo Anthony has inked a deal on an \$11 million apartment at Cary Tamarkin's High-Line adjacent development, 508 West 24th Street. It appears that the New York native picked up two fifth floor apartments that he will combine to create a 4,556-square-foot home. This should keep Melo busy for a while. Check out more pics below.-TO
